ABOUT US

PT. Multi Sukses Pratama

was established on December 31, 2011, and is headquartered at Rukan Bandengan Indah, Blok D 20, Jakarta 14440. Since its inception, the company has been dedicated to providing comprehensive and reliable industrial control solutions to a wide range of sectors.

We proudly serve as

the sole authorized agent for Anderson Eurotech GmbH and many other reputable branded products, specializing in advanced

solutions for Fluid Control Systems, Pressure Control Systems, Level Control Systems, Temperature Control Systems, and Analytical Control Systems. Our product portfolio is designed to support operational efficiency, safety, and performance across diverse industrial applications.

With more than a decade of proven industry experience,

PT. Multi Sukses Pratama has built strong strategic partnerships with globally recognized manufacturers, enabling us to deliver world-class products and integrated solutions that meet international standards. We are committed to providing high-quality, reliable, and cost-effective systems that address the increasingly complex and

dynamic needs of modern industries. Supported by strong technical expertise, a customer-centric approach, and a continuous focus on innovation, we strive to deliver exceptional value through responsive service, professional consultation, and long-term partnership. Our dedication to excellence has positioned PT. Multi Sukses Pratama as a trusted and reputable partner in the field of industrial automation and process control, both domestically and internationally.

VISION AND MISSION

VISION

To be a service company that delivers integrated business and control solutions with strong fundamental in knowledge and experiences gained in control system, instrumentation and information technology.

MISSION

We provide high value-added solutions that satisfy the evolving needs of valuable customers using AE worldwide competence and technology.

As an integral part of AE global organization, we will lead our international affiliates in capitalizing on opportunities in the Indonesian market, contribute to the unique Indonesia's capabilities for the country's industrial growth.

As a member of Indonesian society, we will enhance our individual value together with all employees in contributing to the society, through establishing PT. Multi Sukses Pratama to be the most excellent and favourable company in this region.

ANDERSON EUROTECH is a leading provider of valves and instruments for the measurement and control of flow, pressure, level and temperature in the process engineering industries.

PT MULTI SUKSES PRATAMA

For more than 25 years, our company has grown through the accumulation of valuable experience and in-depth knowledge within the scope of our supply and service fields. These scopes include, but are not limited to:

The collage features ten distinct images, each representing a different industry sector. The images are arranged in a non-linear, overlapping fashion. The sectors shown are: Contractor (a worker in a blue uniform and helmet using a tool), Cement (a large industrial facility with tall chimneys), Chemical (a complex industrial structure with many pipes and towers), Petrochemicals (a large industrial plant with a prominent yellow structure), General Industry (a factory interior with various machinery), Textile (a textile mill with spinning spindles), HVAC (a large industrial room with complex piping and equipment), Water Treatment (a facility with large blue cylindrical tanks), Sugar (a factory with several tall, striped chimneys), and Pharmaceutical (a worker in a cleanroom environment wearing a blue gown and a hairnet).

This extensive industry coverage reflects our adaptability, reliability, and strong understanding of diverse operational requirements. By consistently delivering high-performance products and solutions, we have built long-term relationships with clients, earned their trust, and established a solid reputation as a dependable partner across multiple sectors.

PT MULTI SUKSES PRATAMA

We are committed to delivering products and services of the highest standards to our valued clients, who are strategically located across key industrial cities and zones throughout Indonesia. These areas represent significant hubs of economic and manufacturing activity, and include:

This broad coverage reflects our dedication to supporting national industrial growth and ensuring timely, reliable service wherever our clients operate.

OUR PRODUCTS

Actuator & Positioner

1. Electric Actuator
2. Pneumatic Actuator
3. E/P, P/P Positioner

Rotameter

1. Metal / Glass Rotameter
2. Plastic Rotameter

Transmitters, Switches, Gauges

1. Analytical Transmitters
2. Level Transmitters/Switches
3. Pressure Transmitters/Switches
4. Temperature Transmitters
5. Flow Switches
6. Pressure Gauges/Chemical Seals
7. Temperature Gauges

Valve

1. Ball Valve
2. Butterfly Valve
3. Solenoid Valve
4. Modulating Angle Seat Control Valve
5. Piston Actuated Angle Seat Valve
